Introducing Pattern Search –Helps to meet GDPR

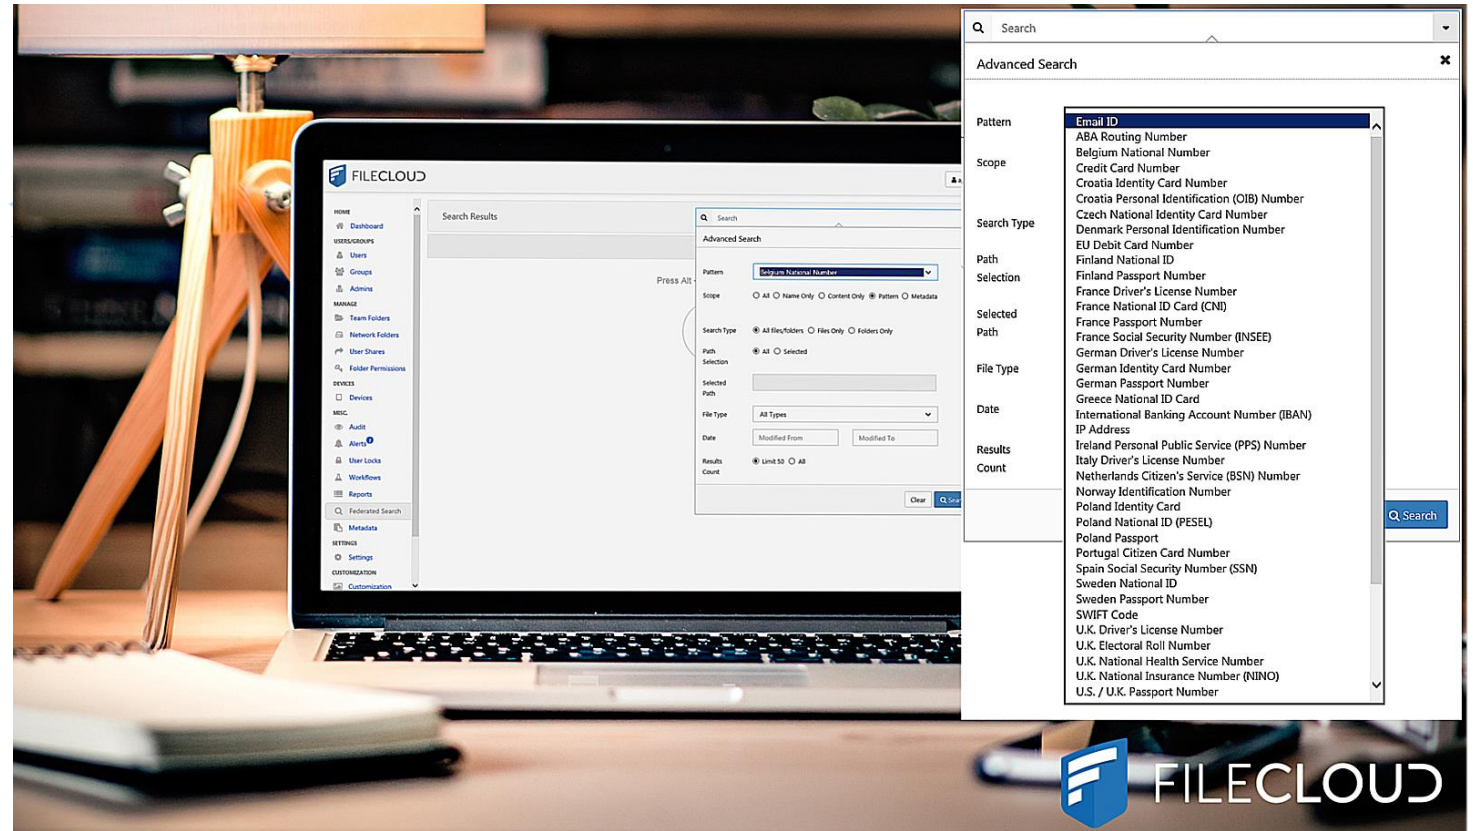

Helps with GDPR compliance

Predefined complex patterns

Federated search: search across all users

Search for PII

The screenshot shows the FileCloud search interface. On the left is a navigation sidebar with categories: HOME (Dashboard), USERS/GROUPS (Users, Groups, Admins), MANAGE (Team Folders, Network Folders, User Shares, Folder Permissions), DEVICES (Devices), and MISC. (Audit, Alerts, User Locks, Workflows, Reports, Settings). The 'Federated Search' option is highlighted in the sidebar. The main content area is titled 'Search Results' and shows a search for 'test' on page 1 of 12. A 'Download Results' button is circled. The search results list several files and folders, including 'New Text Document.txt', 'test file.txt', 'test file2.txt', 'test file22.txt', 'testshared', 'test', and '01-PrintRequest.doc'. A preview for 'New Text Document.txt' shows the content 'resourceName 574864bb144d0825133604.dat' and 'Content-Type text/plain; charset=ISO-8859-1', with the word 'TEST' highlighted in red. A preview for '01-PrintRequest.doc' shows a redacted field: 'Test Interlibrary Loan Request Form TransactionNumber: ** Call #: Location'.

Search for Activities

The screenshot shows the FileCloud Audit Logs interface. The 'Audit' option is highlighted in the left sidebar. The main area is titled 'Audit Logs' and features a filter section with a search term, start and end date filters, an operation filter set to 'Common', and a 'Show 10 Items' dropdown. A 'Manage' button is also present. Below the filter is a table of audit events.

User name	Message	IP	Agent	Created On

Data Protection Officers (DPO)

Add new DPO accounts as additional sub admins

The screenshot displays the 'Manage Admin' interface. On the left is a navigation sidebar with categories: Dashboard, USERS/GROUPS (Users, Groups, Admins), MANAGE (Team Folders, Network Folders, User Shares, Folder Permissions), DEVICES (Devices), MISC. (Audit, Alerts, User Locks, Workflows, Reports, Federated Search), SETTINGS (Settings), and CUSTOMIZATION (Customization). The main content area is titled 'Manage Admin' and includes a 'Select Admin User' dropdown and an 'Add Admin' button. Below this is a table with two columns: 'Operations' and 'Authorized'. The 'Authorized' column contains a series of checkboxes, which are circled in blue. The table lists various system components under the 'Operations' column.

Operations	Authorized
Users	<input type="checkbox"/>
